

Community Outreach Program

EVERYTHING IN THE WORLD CAN AND WILL BE MADE BETTER.

Oakley was created for athletes who see the limits of possibility as just another challenge. As a leader in the sport and optical industries, Oakley supports 501 (c)(3) nonprofits that align with our brand and business with in-kind donations to assist with charitable fundraising efforts.

Oakley provides support on a product level to hundreds of organizations that range in focus from youth development to health issues to the environment. Through the donation of our products, we are able to assist with the fundraising efforts of the nonprofits that serve our community. Special consideration is provided to organizations that use sport to serve those in need and to organizations within Southern California, where our headquarters is located.

We do not accept unsolicited requests for financial contributions.

Eligibility

In order to be eligible for a product donation from Oakley an organization must be a 501 (c)(3) nonprofit organization and submit the request at least 6 weeks prior to the fundraising event.

Oakley does not provide support for individuals, political causes/candidates, religious organizations or for-profit organizations.

Submission

Requests for product donation must be submitted to Oakley through our [online donation request system](#). We no longer accept requests via other methods.
